Peddler's Village

Fonthill Castle

Washington's Crossing

We're back in Pennsylvania again. We'll begin by meeting for lunch just north of Doylestown, then proceed down the road for tours of Fonthill Castle and Moravian Pottery Works, the quirky home and factory of tile maker Henry Chapman Mercer. We'll then check into our hotel in Peddler's Village and have dinner in a restaurant on the property. The next morning we'll head out for a visit to Washington's Crossing State Park, a lunch in the area, and a drive through Buck's County. We'll return to our hotel for a dinner at another of Peddler's Village restaurants. Wednesday morning those who are interested can visit the Vette Shop, a local restorer, or browse Peddler's Village. We'll head for home that afternoon.
